Response to 02/02/2005 Notice of
Drawing Inconsistency with Specification

Attorney's Docket No. 0119-061

REMARKS

The specification would be amended to include a listing of Fig. 3 in the Brief Description of the Drawings. This amendment is consistent with other portions of the specification, including for example page 9, line 32 et seq.

Approval of this amendment is respectfully solicited. Approval would obviate the Notice of Drawing Inconsistency with Specification mailed on February 2, 2005. If the Examiner has any questions, the undersigned attorney may be telephoned at the number given below.

The Office's attention is drawn to a Power of Attorney to Prosecute Applications and a Change of Correspondence Address that accompany this Amendment.

Respectfully submitted,
